NAIL BAR

Shellac Manicure

Enjoy the superior experience of shellac at our bespoke nail bar. Shellac is a 14 day+ hybrid polish, meaning it goes on like a polish but wears like a gel which allows it to be long wearing and durable, shiny and simply fabulous. The product is applied to your natural nails and it is cured through UV lighting, which means its dry and you're ready to go. Strengthening and nourishing treatments are also available before, during and after shellac.
